The Hutti Gold Mines Co Ltd

Item No.5 : To consider and approve amendments to the procedure of recruitment of Officers to the existing C&R Rules of Officers of HGML.

The Board in its 380th Meeting held on 05-08-2014 reviewed proposal for recruitment of Sr. Manager, Managers, Specialists, Medical Officers (Male & Female) and Management Trainees in various disciplines of Technical Departments and accorded its 'in principle' approval for the recruitment of officers posts referred therein. However, it was suggested that there should be a committee headed by the Managing Director as the Chairman for E6 to E7 with experts in the relevant fields from other PSU/Public Organization together with relevant field departmental heads. It was informed by the Managing Director that such a Committee already exists. Further it was suggested that there should be award of marks of selection considering performance during interview, experience, extra merits/awards and qualification for both E-6/E-7 category of selection. In case of Medical Officers, it was suggested for walk-in-interview may be conducted as it is difficult to get doctors/specialists for the working environment at Hutti. For Management Trainees, it was suggested for written test followed by interview for selection and bring the suitable amendments if necessary to the existing C&R Rules of the HGML.

It is for the kind information of the Board, that though there is a systematic procedure for recruitment of Officers in HGML yet, as suggested by the Board, there is a need of adding certain procedures for direct recruitment of Officers in the C&R Rules of HGML.

The proposed amendments together with the proposal on constitution of the recruitment committee are enclosed as Annexure (Page No.21) for kind reference.

The Board may kindly consider the above and approve the proposed amendments to C&R Rules and the constitution of the committee for direct recruitment of officers in HGML.
