KARNATAKA ELECTRICITY REGULATORY COMMISSION BANGALORE-560 001

NOTIFICATION

No: KERC/CoS/D/13/14-15, Bangalore, dated: 25th August, 2014

Third Amendment to the various Clauses of Conditions of Supply of Electricity of Distribution Licensees in the State of Karnataka (CoS), 2006.

Preamble

The Conditions of Supply of Electricity of the Distribution Licensees in the State of Karnataka (CoS) was notified in the Karnataka Gazette on 17th June, 2006. Subsequently the first and second amendments were notified on 20th March, 2008 and 22nd July, 2010 respectively.

BESCOM, GESCOM and consumers have represented to the Commission regarding certain difficulties being experienced in implementation of a few Clauses of Conditions of Supply of Electricity of Distribution Licensees in the State of Karnataka and sought amendment to various Clauses of CoS. Further, due to implementation of mandatory ToD tariff for HT 2(a) and HT 2(b) installations as per the Tariff Order dated 30th April, 2012, the same needs to be incorporated in the CoS.

Draft Amendments were notified vide Notification No: KERC/CoS/D/13/13-14, Bangalore, dated 20-02-2014 inviting objections/suggestions/views from the stakeholders. The draft amendment was hosted on the Commission's website www.karnataka.gov.in/kerc and was also notified in the newspapers for the information of public/interested persons. The Commission has received response from the stakeholders including BESCOM and CESC. The Commission has also held a 'Public Hearing' on 04.07.2014 in the matter. Further, the Commission has also held discussions with all ESCOMs in the matter during the meeting held on 14th July, 2014. The Commission after considering the views/suggestions from the stakeholders has finalized the amendments.

Now, therefore, in exercise of the powers conferred by Section 16 of the Electricity Act, 2003(Central Act of 2003) read with Condition 7.3 of the KERC (Conditions of License for ESCOMs) Regulations, 2004 and all powers enabling it in that behalf, the Karnataka Electricity Regulatory Commission hereby makes the amendments to the following clauses of Conditions of Supply of Electricity of the Distribution Licensees in the State of Karnataka, 2006.

1. Title and commencement:

- This may be called the **Third amendment** to the various Clauses of Conditions of Supply of Electricity of the Distribution Licensees in the State of Karnataka, 2006.
- This shall extend to the whole of the State of Karnataka.
- This shall apply to all the Licensees engaged in the business of distribution of electricity under section 14 of the Electricity Act, 2003 and the consumers of electricity.
- This shall come into force from the date of publication in the official Gazette of Karnataka.

2. The existing Clause in Column-2 of Table below shall be substituted by the Clause as in Column-3:-

Column-1	Column - 2	Column - 3
Clause No:	Regulation as existing	As amended
4.03 (iv)	<p>Estimate and power sanction In case the requirements as in 4.03 (ii) are not fulfilled within the stipulated time and the Applicant is not ready to avail himself of power supply, the application shall be treated as cancelled and the responsibility of the Licensee to pay penalty for failure to provide power supply ceases. The registration cum processing fee paid shall stand forfeited. This condition shall be laid down clearly in the power sanction letter communicated as per Clause 4.03. However, if the Consumer requests for renewal of power sanction before the expiry date, the same shall be renewed not more than once subject to payment of re-registration charges as specified under Clause 30.01 and power supply shall be arranged by the Licensee within one month from the date of such renewal of power sanction. If the Applicant fails to avail power supply within such period, the application will be treated as cancelled.</p>	<p>Estimate and power sanction If the requirements as prescribed in 4.03 (ii) are not fulfilled within ONE HUNDRED EIGHTY DAYS in respect of installations for Street Light, Water Supply and Irrigation Pump Set under schemes of GoK and NINETY DAYS in respect of all other categories of installations, the application shall be deemed as CANCELLED. However, if before the expiry of above said period, the Applicant requests for extension of time for fulfilling the said requirements by a further period not exceeding 180 days or 90 days as the case may be, the same shall be renewed once subject to payment of re-registration cum processing charges as specified under Clause 30.01. If the Applicant fails to fulfill the above requirements within such extended period, the application shall be deemed as CANCELLED. On cancellation of the application, registration/ re-registration cum processing charges shall stand forfeited.</p>
8.13	ToD tariff facility shall be extended to any Applicant /Consumer at his option for eligible categories	ToD tariff facility shall be extended to any Applicant/consumer as specified by the Commission in its Orders issued from time to time.
9.00	<p>APPLICABLE TO COMMERCIAL / RESIDENTIAL BUILDING(S) / COMPLEX(ES)/ M.S. BUILDING (S) where:</p> <p>a) Requisitioned load is 25 kW or more or b) Where the built up area of building is more than 500 Sq. Mtr.</p>	<p>APPLICABLE TO COMMERCIAL / RESIDENTIAL BUILDING(S) / COMPLEX(ES)/ M.S. BUILDING (S) where:</p> <p>a) Requisitioned load is 35 kW or more or b) Where the built up area of building is more than 800 Square Meters.</p>
12.04 (ii) b	The officers of the Licensee are empowered to sanction /give extension of temporary power supply for permanent usage under special circumstances, where infrastructure is yet to be created or in the process of being created to individual houses/MS buildings/ Complexes/Lay outs and others. However, temporary power supply shall not be extended beyond two years from the date of service	<p>The officers of the Licensee are empowered to sanction /give extension of temporary power supply for permanent usage under special circumstances, where infrastructure is yet to be created or in the process of being created to individual houses /MS buildings /Complexes /Layouts and others. However, temporary power supply shall not be extended beyond two years from the date of service.</p> <p>Provided that for Multi-Storied buildings of more than 15 meters height the provisions of the Clause No 9.12 of the CoS shall be complied with before arranging such power supply.</p>

KARNATAKA ELECTRICITY REGULATORY COMMISSION, NOTIFICATION

No: KERC/CoS/D/2/17 18, Bengaluru, dated: 27.12. 2017

Conditions of Supply of Electricity of Distribution Licensees in the State of Karnataka (CoS) (Sixth Amendment) 2017

Preamble

The Conditions of Supply of Electricity of Distribution Licensees in the State of Karnataka (CoS) were notified in the Karnataka Gazette on 27 June 2006. Subsequently, the first, second, third, the fourth and the fifth amendments to said Conditions of Supply were notified on 21 March 2008, 22nd July 2010, 10th August 2014, 28th January 2016 and 22 November 2016 respectively.

Whereas thereafter the Additional Chief Secretary to Govt. Energy Department, the MESCOM and KASSIA requested the Commission for amendment of certain clauses of CoS. Consequently it was found necessary to make certain further amendments to the Conditions of Supply of Electricity of Distribution Licensees in the State of Karnataka. The draft of such amendments (Sixth Amendment) were notified vide Notifications No. KERC/CoS/D/8/16/17 dated 05 Dec 2017 and 11.07.2017 inviting objections, suggestions, views from the stakeholders. Both the draft Amendments were also hosted on the Commission's website www.kerc.org.in and published in the newspapers for the information of public interest persons. The Commission received objections, suggestions, views from the stakeholders. The Commission held a Public Hearing on 01.09.2017 in the matter. The Commission has considered the views, suggestions, objections received from the stakeholders.

Now, therefore, in exercise of the powers conferred by Section 16 of the Electricity Act, 2003 (Central Act No. 30 of 2003) read with clause 77 of the KERC (Conditions of License for the MESCOM) Regulations, 2006, and all powers enabling it in that behalf the Karnataka Electricity Regulatory Commission, hereby makes the following amendments to the Conditions of Supply of Electricity of Distribution Licensees in the State of Karnataka, 2006.

I Title and commencement.

1. The title of the said Conditions of Supply of Electricity of Distribution Licensees in the State of Karnataka, 2006 shall be amended to read as follows:-

A. The title of the said Conditions of Supply of Electricity of Distribution Licensees in the State of Karnataka, 2006 shall be amended to read as follows:-

B. The title of the said Conditions of Supply of Electricity of Distribution Licensees in the State of Karnataka, 2006 shall be amended to read as follows:-

II. The commencement of the said Conditions of Supply of Electricity of Distribution Licensees in the State of Karnataka, 2006 shall be amended to read as follows:-

(2) 402... The Applicant shall indicate in the application form the name and address of the Licensed Electrical Contractor (LEC) with whom he intends to get the interior wiring work done.

The Applicant shall indicate in the application form the name and address of the Licensed Electrical Contractor (LEC) with whom he intends to get the interior wiring work done.

Note: This Clause shall not be applicable to an applicant /a consumer seeking supply of electricity for domestic and commercial purpose with a load below 7.5 kW, in a premises.

(3) 403 (iii)(d)

Submit the contractor's completion cum test report along with the wiring diagram in duplicate

Submit the Licensed Electrical Contractor's completion cum - test report along with the wiring diagram in duplicate

The applicant shall produce an undertaking on plain paper for having installed the Solar Water heater before issue of the Work Order. The Licensee shall acknowledge the receipt of the above documents and issue an acknowledgement slip for having accepted the same.

The applicant shall produce an undertaking on plain paper for having installed the Solar Water heater before issue of the Work Order. The Licensee shall acknowledge the receipt of the above documents and issue an acknowledgement slip for having accepted the same.

(4) 703

For industrial layouts developed including the residential buildings constructed for the use of entrepreneurs as part of industrial area by the KIADB, KSSIDC, KSONICS others the entire work of 11 kv line, 6 Cable, AB cable, LT line, 11 kv cable, AB cable, transformers etc. shall be carried out on self-execution basis by the applicant as per the estimate prepared by the licensee. Supervision charges at 1% on the cost of estimate excluding employees cost and MSD shall be payable subject to a maximum of Rs. 10 lakhs. In such cases, maintenance charges of five (5) per cent on the total cost of the estimate and recovery of expenditure for supply of electricity as per the KERU (Recovery of Expenditure for Supply of Electricity) Regulations, 2009 and its amendment from time to time shall not be collected.

For industrial layouts developed, including the residential buildings constructed for the use of entrepreneurs, as part of industrial area, by the KIADB, KSSIDC, KSONICS others the entire work of 11 kv line, UG Cable, LT line, UG cable, transformers etc. shall be carried out on self-execution basis by the applicant as per the estimate prepared by the licensee. Supervision charges at 1% on the cost of estimate excluding employees cost and MSD shall be payable subject to a maximum of Rs. 15 lakhs. In such cases, maintenance charges of five (5) per cent on the total cost of the estimate and recovery of expenditure for supply of electricity as per the KERU (Recovery of Expenditure for Supply of Electricity) Regulations, 2009 and its amendments from time to time shall not be collected.

(5) 601

NOTE:

i. The applicant shall submit a request for additional load for existing buildings complex... if the power supply is not available plan... prepared... of the... by the... Engineer... shall be...

NOTE:

i. The applicant shall submit a request for additional load for existing buildings complex... if the power supply is not available plan... prepared... of the... by the... Engineer... shall be...

Provided that there is construction of any additional floor/s or any additional built-up area to the existing building/complex, a copy of the sanctioned plan for such additional floor/s or built-up area shall be furnished.

ii. In the case of new buildings, an Architect's Civil Engineer's Plan as per actual duly showing the built up area of building certified by Registered Architect/Engineer and signed by the Applicant shall be furnished along with the sanctioned plan. If there is any deviation in construction from the sanctioned plan.

ii. Deleted

iii. The applicant shall not deviate from the condition of providing space at his premises free of cost for erection of transformer as indicated in the layout plan approved by the licensee at the time of issue of NOC by the licensee.

iii. The applicant shall not deviate from the condition of providing space at his premises free of cost for erection of transformer as indicated in the layout plan, approved by the licensee at the time of issue of NOC by the licensee.

iii. In case the applicant fails to produce the plan of the building /complex prepared duly showing the built up area of the entire building as stipulated in Paras (i) & (ii) above, the application shall be rejected.

iii. In case the applicant fails to produce the plan of the building /complex prepared duly showing the built up area of the entire building as stipulated in Para (i) above, the application shall be rejected.

(6) 9.07

GENERAL CONDITIONS APPLICABLE TO CLAUSE 9.00

1. The total capacity of the distribution transformer to be erected by the Applicant shall be based on the requisitioned load which shall be the standard rating as per IS and make approved by the Licensee. For example, if the requisitioned load of M.S. Building is 75 Kw, THE TRANSFORMER RATED CAPACITY SHALL BE FIXED AT THE NEXT HIGHER AVAILABLE STANDARD CAPACITY I.E., 75 Kw / 0.85 PF = 88 KVA or 100 KVA which is the next higher Standard rating as per IS.

General Conditions Applicable to Clause 9.00

1.(a) Erection of 11 kV distribution line/laying of underground cable and distribution transformers shall be in accordance with the Central Electricity Authority (Technical Standards for Construction of Electrical Plants and Electric Lines) Regulations, 2010 and its Amendments from time to time.

(b) The total capacity of the distribution transformer to be erected by the Applicant shall be based on the requisitioned load which shall be the standard rating as per IS and make approved by the Licensee. Loading of distribution transformer shall be as specified in Clause 9.11(a) of CoS.

(7) 9.07
4. New

4. The Applicant shall furnish the Occupancy Certificate from the Competent Authority, before commencement of supply of electricity including to any additional floors or additional

built up area to an existing building/complex.

Explanation:

For the purpose of this Sub-Clause, Occupancy Certificate means the Occupancy Certificate, or such other certificate by whatever name called, issued by the competent authority permitting occupation of any building as provided under local laws, which has provision for civic infrastructure such as water, sanitation and electricity.

(8)	11.00	APPLICABLE TO PUBLIC LAMPS (STREET LIGHTS)	Applicable to Public Lamps (Street Lights)
	11.01	<p>(a) Power supply to new or additional public lamps or change in type of fitting shall be arranged subject to the following Conditions:</p> <p>(iii) The Applicant shall pay the estimated cost of the supply lines including the cost of fittings along with supervision charges at 10% on the cost of estimate and also the prescribed deposits as per Clause 30.02 to the Licensees within 15 days of intimation. Cost of fittings shall not be collected if the local authority provides the same.</p> <p>(b) If the amount is not paid within 15 days, the application is treated as withdrawn.</p> <p>(c) The Applicant shall execute an Agreement in the prescribed form.</p> <p>(d) Only energy efficient lamps shall be used for street lighting. It is not permitted to use incandescent type fittings for street lighting.</p> <p>(e) The Licensee shall also erect and connect specified type and street light fittings with energy efficient lamps and accessories (other than incandescent lamp fittings) supplied by the Applicants by collecting labour and supervision charges. The Licensee reserves the right to reject the fittings supplied for installation, if these are of sub-standard quality.</p> <p>(f) A suitable metal waterproof box to house the meter and street control M.C.B. as per Licensee's approved design shall be provided.</p>	<p>(a) Power supply to new or additional public lamps or change in type of fitting shall be arranged subject to the following Conditions:</p> <p>(iii) The Applicant shall pay the estimated cost of the supply lines including the cost of fittings along with supervision charges at 10% on the cost of estimate and also the prescribed deposits as per Clause 30.02 to the Licensees within the time period as specified in Clause No 4.03 (iv) cost of fittings shall not be collected if local authority provides the same.</p> <p>(b) The Applicant shall execute an Agreement in the prescribed form.</p> <p>(c) Only energy efficient lamps shall be used for street lighting. It is not permitted to use incandescent type fittings for street lighting.</p> <p>(d) The Licensee shall also erect and connect specified type street light fittings with energy efficient lamps and accessories (other than incandescent lamp fittings) supplied by the Applicants by collecting labour and supervision charges. KARNATAKA ELECTRICITY REGULATORY COMMISSION
No. 16 C-1, Miller Tank Bed Area, Vasanthnagar, Bengaluru-560 052

NOTIFICATION

No. KERC/CoS/D/18-19/1314, Bengaluru, dated 26.12.2018

Conditions of Supply of Electricity of Distribution Licensees in the State of Karnataka (Seventh Amendment), 2018

Preamble

The Conditions of Supply of Electricity of Distribution Licensees in the State of Karnataka 2006 were notified in the Karnataka Gazette on 07th June, 2006. Subsequently six amendments to the Conditions of Supply have been notified from time to time.

Whereas the Additional Chief Secretary, Energy Department, Government of Karnataka and the BESCOM had requested the Commission to amend certain clauses of the CoS which the Commission found acceptable. Consequently the Commission found it necessary to make certain further amendments to the Conditions of Supply of Electricity of Distribution Licensees in the State of Karnataka. The draft amendments (Seventh Amendment) were notified in the Karnataka State Gazette on 25.10.2018 vide Notification No. KERC/CoS/D/18-19, Bengaluru, Dated 04.10.2018. The draft amendments were also hosted on the Commission's website www.karnataka.gov.in/kerrnd as a notification inviting objections/suggestions/ views from the stakeholders. The Commission received objections/suggestions/ views from several stakeholders. The Commission also held a Public Hearing on 19.11.2018 in the matter. The Commission has considered the objections/suggestions/ views received from the stakeholders.

Now, therefore, in exercise of the powers conferred by Section 16 of the Electricity Act, 2003 (Central Act No. 36 of 2003) read with conditions 7.3 of the KERC (Conditions of License for ESCOMs) Regulations, 2004 clause 16 of the Conditions of Supply of Electricity of Distribution Licensees in the State of Karnataka and all the powers enabling it in that behalf, the Karnataka Electricity Regulatory Commission hereby makes the following amendments to the Conditions of Supply of Electricity of the Distribution Licensees in the State of Karnataka, 2006:

1. **Title and commencement**
 - (a) This may be called as the Conditions of Supply of Electricity of Distribution Licensees in the State of Karnataka (Seventh Amendment) 2018.
 - (b) It shall come into force from the date of its publication in the Official Gazette of the Karnataka State.
 - (c) It shall apply to all the licensees engaged in the business of distribution of electricity and the consumers of electricity in the State of Karnataka.

2. Amendment of certain clauses.

In the Conditions of Supply of Electricity of Distribution Licensees in the State of Karnataka, 2006, the existing Clauses mentioned in the Column - 2 of table below shall be substituted by the Clauses mentioned in the Column - 3.

1 Clause No.	2 As existing	3 As amended / inserted
4.0235 (1)(iv)	The Applicant shall indicate in the application form the name and address of the Licensed Electrical Contractor (LEC) with whom he intends to get the interior wiring work done. Note: This Clause shall not be applicable to an applicant for a consumer seeking supply of electricity for domestic and commercial purpose with a load below 7.5KW in a premises.	Deleted.
4.03(ii) (d)	Submit the Licensed Electrical Contractor's completion-cum-test report along with the wiring diagram in duplicate. The applicant shall produce an undertaking on plain paper for having installed the Solar Water heater before issue of the Work Order. The Licensee shall acknowledge the receipt of the above documents and issue an acknowledgement slip for having accepted the same.	Submit the Licensed Electrical Contractor's completion-cum-test report along with the wiring diagram in duplicate duly indicating the name and address of the Licensed Electrical Contractor (LEC) who has carried out the interior wiring work. The applicant shall produce an undertaking on plain paper for having installed the Solar Water heater before issue of the Work Order. The Licensee shall acknowledge the receipt of the above documents and issue an acknowledgement slip for having accepted the same.
8.14	The servicing of the installation of the Applicant shall be carried out on production of the copy of the approval of this installation by the Electrical Inspectorate and also Test and Commissioning Certificate of the equipments installed as required by the Licensee.	The servicing of the installation of the Applicant shall be carried out on production of the copy of the Occupancy Certificate of the approval of his installation by the Electrical Inspectorate and also Test and Commissioning Certificate of the equipments installed as required by the Licensee. Explanation: The Occupancy Certificate means the occupancy certificate or such other certificate by whatever name called issued by the competent authority, permitting occupation of the building, as provided under local laws which has provision for infrastructure such as water, sanitation and electricity and further such occupancy certificate shall also be furnished for servicing of any additional floors or additional built-up area to the existing building.
25.01	No installation shall be serviced without a meter. Note: a) xxxxx b) xxxxx	No installation shall be serviced without a meter. Note: a) xxxxx b) xxxxx

1	2	3
Clause No:	As existing	As amended / inserted
	c) xxxxx d) xxxxx	c) xxxxx d) xxxxx e) Pre-paid energy meters shall be provided to the installations of public water supply, public lamps (streetlights) and offices of the Government, if so opted. Provided that where prepaid meter is provided by the ESCOM, the Meter Security Deposit (MSD) equivalent to the cost of the pre-paid energy meter, shall be paid by such consumer. Provided further that, notwithstanding anything contained in these Conditions of Supply or any other Regulations issued by the Commission, the Distribution Licensee shall buy back any electro-mechanical/electronic energy meters fixed at the existing installations of such consumers, who shall pay, the difference between the depreciated value of the existing energy meters and the meter security deposit equivalent to the cost of new pre-paid meters, to the distribution licensee in equal annual installments, over a period of five years, when a prepaid meter is provided by the Distribution Licensee.

By the Order of the Commission
