DESCRIPTION OF THE CREST

The crest of the University contains the motto in Sanskrit, “Jnanam Vijnanasahitham” (Yagnatva Mokshasesshumbhat - Bhagavad Gita IX.1) which when freely translated would mean that “Knowledge together with the knowledge of the supreme, releases one from all evils”.

At the heart of the crest is the lamp of knowledge. The surrounding atomic configuration signifies science. The ears of corn stand for prosperity. The tower on the top is the Kempe Gowda Tower and signifies that the city of Bangalore was founded by Kempe Gowda in 1537.

Foreword

Bangalore University was established in 1964 with only 32 colleges and a student population of 16,000. It has 52 Post-Graduate departments which offer over 105 PG programmes and PG centres at Ramanagar. It has also three University constituent colleges: University Visvesvaraya College of Engineering, University Law College and University College of Physical Education. Now Bangalore University has 293 affiliated colleges from the academic year 2021-22 with a student population of over 1.20 lakhs. It can be said with legitimate pride that the Bangalore University has achieved far more than the modest target set at the time of its inception by producing trained human resources to serve the country in all walks of life and has contributed to the knowledge base. Our infrastructure is huge with equipped laboratories, highly qualified and

motivated faculty, who work with commitment and dedication for the cause of education and research. Our officers and non-teaching staff also work with dedication and commitment. The research output of Post-Graduate department is very good in terms of Ph.D., degrees awarded and research publication in good impact factor journals in India and abroad with a large number of citations.

The National Assessment and Accreditation Council (NAAC) accredited Bangalore University as an “A” Grade Institution for the third cycle and reaccreditation for the 4th cycle is under progress. It is located in a sprawling campus of 1112 Acres. It provides a unique learning experience amidst a green space with natural wilderness. It is at 64th position among Indian Universities as per all India Survey by the National Institutional Ranking Framework (NIRF), MHRD, Govt. of India.

Keeping in view of employability of students all the undergraduate courses have been remodeled and restructured under New Education Policy-2020 with multiple options of Exit after completing one year with certificate course, 2 years with Diploma and Degree after 3 years. Honors Degree will be awarded at the end of 4th year to enable the students to get admissions for a doctoral programme.

An unique tool developed by the Bangalore University for objective assessment of Colleges by the Local Inquiry Committees and to maintain transparency in inspection, has been adopted by the State Government, through online affiliation portal of the State Government from the year 2020-21 and made applicable to all the Universities.

In order to facilitate colleges to get accredited, All the admissions of UG courses at the affiliated colleges have to be made through Unified University and College Management System (UUCMS) and approval of admission are being done through online. Under this system, the student have the option to choose any affiliated colleges for admission on priority wise. An Orientation Programme was organized to the Principals of affiliated colleges in association with NAAC.

Colleges accredited with NAAC 'A' grade have been encouraged to apply for autonomous status. During last 3 years 2 colleges have been given autonomy and grant of autonomy to 3 colleges is under process. Facilitated colleges to get included under section 2(f) and 12(B) of the UGC Act, 1956.

Seven reputed National Institutes and affiliated colleges have been recognized for Ph.D. Programme.

Six Institutions, including four National reputed institutions were recognized by the Bangalore University as Centre for specialized Studies. Viz., Institute of Bioinformatics and Applied Biotechnology (IBAB), Centre for Human Genetics-CHG, Institute for Social and Economic Change (ISEC), Indira Gandhi National Centre for Arts, Regional Centre.

During the year, the University has introduced new courses viz., B.Sc. (Hons) Degree in Agriculture Skill and Entrepreneurship, B.Voc. Degree in Food Technology and Quality Management.

All the Tenders for construction and procurement of goods and services are made through e-procurement process as per KTPP Act. In this regard, a separate Cell, "E-Procurement Cell" has been setup.

HRMS has been implemented 100%. The Salary of all the Teaching and Non-Teaching staff are being disbursed through HRMS. All the Service data of teaching and non-teaching staff are digitized and updated through HRMS Software.

Seva Sindhu has been introduced in the Bangalore University. Students can obtain their certificates and redress their grievances through this portal. A Nodal Officer has been appointed. In addition, Common Redressal Cell has been established to redress the grievances of students and general Public as per the State Government directions.

During the year, about 220 Promotions were extended to the Teaching faculty to the higher cadres of Associate Professors / Professors under UGC/AICTE Career Advancement Schemes. The 7th Pay Scales of UGC has been implemented for the University teachers. The salary of nearly five hundred and thirty two Guest faculties have been enhanced from Rs. 36,000/- per month to Rs. 50,000/-.

The Syndicate has approved the proposal for extending Cashless Medical treatment to all the teaching, non-teaching staff members of the University under 'Arogya Suraksha Seva Trust' of State Government of Karnataka.

The construction of UVCE Boys Hostel at Central College campus and PG/PHD Boys Hostel at Inanabharathi campus is taken-up at a cost of Rs.17.00 crores and Rs.13.85 crores respectively. The construction of these buildings is entrusted to Karnataka Housing Board. BDA ladies hostel and ladies hostel of North East students have started functioning.

The OBC Hostel is being constructed at a cost of Rs.5 Crores. Land has been allotted for construction of Minority Hostel, the OBC Hostels for Boys and Girls has started from the academic year 2020-21 by the Government of Karnataka.

The Government of Karnataka have approved the proposal for construction of Dr. K. Venkatagiri Gowda Auditorium Annexe Building at an estimated cost of Rs.9.7 crores. The proposed building will facilitate for conduct of International Conferences/Workshops and other academic activities. The renovation of UVCE iconic structure is nearing completion. The construction of new Mechanical block with a budget estimate of Rs.85 crores is under progress. Upgradation of University Visvesvaraya College of Engineering (UVCE) to an IIT Model is under progress.

I sincerely hope that with the guidance and support of His Excellency, the Governor of Karnataka, the Hon'ble Minister for Higher Education and co-operation of all my colleagues in the Administration, Faculty, Staff and students, we have put in our best efforts to do much better in the coming years.

2. BRAILLE RESOURCE CENTRE

Central College Campus, Bengaluru – 560 001

080 – 22961295

Co-ordinator : **Prof.Arunalatha**

Bangalore University has set up a Braille Resource Centre in Feb 2012 with the ambition of having the best assistive technologies available in the world today, for its visually challenged students such as blindness and low vision, studying in its Post Graduate Departments, Autonomous and Affiliated Colleges.

At present Braille Resource Centre is epicenter to 160 visually impaired students from 36 Colleges and 09 PG Centers. The Centre is equipped with Electronic Reading Unit, Braille Book Production Unit, wherein a number of soft-wares are installed and finally Career Counseling and Job Placement Unit.

To promote higher education among visually impaired students, the Centre is offering Annual Scholarships of Rs. 5,000/-and Rs. 6,000/-per annum for UG and PG students respectively and facilitating accessibility to information. In this direction, the Centre has scanned over 55 books and produced 15 Audio CDs. The Centre also has organized two months computer training programme for students from Karnataka, Andhra Pradesh and Uttarkand. In collaboration with **Book share India**, Ahmedabad, the Centre had organized a Workshop on 'E-resourcing' in order to train the visually impaired students on the accessibility to literature through e-resource portal. The participants were made members to access over 5 lakh articles. The Centre had also organized fifth 2 days' Career Orientation Workshop, wherein 125 students of both UG and PG participated and volunteers from CISCO and Cognizant took part to develop soft skills and hard skills required to be employable in the Corporate Sector.

The Braille Resource Centre launched an 'University Connect Programme' in order to work with youth with disabilities to create job and Career awareness among them and to provide skills, training and placements and hand holding them through the first few months of the job for better retention potential. The Centre has signed a MoU with a NGO, **Enable India** & its activities are supported by Corporate Units like Tech Mahindra Foundation and JP Morgan. Thus, the Centre is striving hard towards creating a feasible environment to create equal opportunities in education, research, training and empowerment on par with their sighted peers, and promoting social mobility through "inclusive education" and enabling the visually impaired students to develop holistically.

Besides from Individual Counselling services, the Centre for Psychological Counselling offered several forms of Human Resource Development programmes for the benefits of students, staff – Non teaching & teaching employees and children of employees, through psycho education and informative sessions, group discussions, exercises and role plays. The Centre has undertaken various extension services also during this period.

1. *Training in Communication skills*

The centre organized a One-day training programme in Communication skills for the children of Navodaya School, Nagarabhavi. The training programme was commenced from 16TH August 2021 to 15th December 2021 in different age groups studying in 8th, 9th and 10th standard. The programme concentrated on guiding students to develop effective Communication skills, facing job interviews and group discussions, develop personal competency for future professional life, and building leadership skills. The training programme stressed upon aspects like Understanding Self, Improving listening skills, Sharpening attending skills, Effective interpersonal skills, Developing Problem solving skills. Total beneficiaries were 300 students of Navodaya School.

2. *Enhancing Study skills*

The centre organized a group counselling session in enhancing study skills for the students of Arunodaya P.U science students. The group counselling was conducted for 4 groups of 12 students in each group and each group had a minimum for 4 – 5 sessions. The participants were explained how to use various skills during the time of study in order to retain more information and recall them effectively. Various techniques such as note making, active listening, effective reading, time management which are helpful for learning were exercised with in the group to develop efficient study skills. There were total of 45 students participated in this group counselling sessions in the month of March 2022

3. *Time/stress/anger management skills*

The time management group counselling sessions was conducted for Arunodaya P.U college arts students. The group counselling was conducted for 7 groups of 12 students in each group and each group had a minimum for 4 – 5 sessions. The time management sessions were helpful for the participants to organize and follow a schedule to have a proper management of time.

This helped them to analyze what task requires more attention and how time can be saved and utilized efficiently. The group was also helped in stress management and anger management. This aimed to help the group members to acquire adaptive methods in order to avoid stressful situation in their life by adapting coping techniques and methods. There were total of eighty students benefited in this group counselling sessions.

4. Parenting workshop

As an outreach activity the Centre for psychological counselling hosted a program for the parents of Samruddhi Career Academy Pvt Ltd. The workshop covered the topic of “Lifespan Development and Hazards”. The whole workshop concentrated on helping parents handle adolescent children, how to be with their children and help them in their problems, academic struggles and career development. There were total of seventy parents who were benefited from this program on 26th November 2021.

5. Personality development program

The Centre for Psychological Counselling conducted Personality development training programme for the community children of Srinidhi Charitable Trust, Kengeri, Bangalore from 15th – 17th September 2021. Thirty Five children were benefited from this programme. The idea behind this programme was to equip students with effective study skills, so that they understand concepts better and can make studying more interesting. It is seen that for most students, success in their academic field fosters a good academic self-concept, which in turn would help develop self worth and positive self-regard. The contents of the programme focused on the following objectives to Improving Study habits and Study Skills, Enhancing Academic Motivation, sharpening memory, concentration and attention, Management of Examination Stress and anxiety, Goal Setting, Tips for Examination, Developing effective Time Management.

7. COLLEGE DEVELOPMENT COUNCIL

Jnanabharathi Campus, Bengaluru - 560 056

 **080 - 22961287**

Director: Dr. Kodanadarama [from 22-10-2018]

The College Development Council of Bangalore University was established in the year 1981, for proper planning and integrated development of the colleges and to provide the college's necessary help and guidance, and it shall serve as the vital link between the University Grants Commission, University, Colleges and the Higher Education department, Government of Karnataka.

The CDC is acting as a Co-coordinating body between the UGC and affiliated colleges of Bangalore University. The main aim of CDC is to make provision for getting necessary grants from UGC to the colleges for organizing workshop/Seminar/Conferences and other development activities, thereby raising the standard of learning, teaching and research activities of the colleges. As of now, 12 (Twelve) affiliated colleges of Bangalore University have been recognized by UGC under section 2(f) & 12 (B) of UGC Act 1956 and they are entitled for developmental assistance and other financial assistance from UGC under the plan period. In addition, due to lack of permanent affiliation 21 colleges have been recognized by UGC under 2 (f) of UGC Act 1956. As many as 08 (Eight) proposals received from different colleges have been sent through CDC to UGC for obtaining 2 (f) & 12 (B) status from UGC. Out of which, 03 (Three) proposals have been approved and the remaining proposals are under consideration.

There is a very good response to the course from the Under Graduate students at the colleges. The Directorate, College Development Council, BUB, as per the UGC guidelines and as well as the guidelines approved by the Academic Council of the University has got the syllabus approved by the University and given directions for the smooth conduct of the courses in the Colleges. The College Development Council is playing an important role in getting developmental grants as well as maximum number of grants under different schemes to the Colleges under the plan period.

19. UGC - CENTRE FOR STUDY OF SOCIAL EXCLUSION AND INCLUSIVE POLICY

Jnanabharathi Campus, Bengaluru - 560 056

 **080 – 23213995**

The Centre came into existence during 2008-09 in the University of Bangalore. Dr. R. Shashikumar is Director-in-charge of the Centre. For the effective functioning of the Center at the time of the meeting of the Advisory Committee, a sub Committee was constituted by the University for the purpose of preparing a Road Map/Vision Document. The Center is furnished with the required infrastructure such as equipment, books & journals, Wooden Furniture's etc. Further, University has sent advertisements for recruiting the manpower against sanctioned posts. Every effort is made to undertake Research Activities which focus on exclusion & inclusive policy. It may not be out of place to mention here the fact that the national seminar on "Socially excluded Communities: Contemporary Issues" held was greatly acknowledged by a bigger audience & got wide publicity as it involved most of the local writers, intellectuals, organizations, progressive thinkers, activists, the research scholars, students and the other general public. It was not only impressive but also created awareness.

Objectives

The main objective of the Centre is to undertake research activities on different dimensions of Social Exclusion and to develop an understanding of discrimination at an empirical level. It further aims at formulating policies for protecting the rights of these groups and eradicating the problems of exclusion and discrimination.

Functions

The type of intellectual activities that Centre is engaged in includes

- Undertaking Ph.D. supervision.
- Collecting information on Social Exclusion and building up a database.
- Carrying out detailed analysis based on the socio-economic data generated by Government agencies.
- Organizing regular conferences, seminars and symposia on the theme of Social Exclusion.
- Publishing regularly the research findings of the Faculty and students.
- Organizing public lectures on the subject by eminent scholars.

- Reaching out to scholars, especially young scholars, in other universities and colleges through an active program of inviting Visiting Faculty.
- Establishing links with Civil Society Organizations engaged in combating Social Exclusion.
- Short-term Orientation courses for political leaders, Parliamentarians, government officials, trade unionists and media personalities.

Activities / Programmes Organized

- ⇔ UGC-Centre for CSSEIP invited applications for recruitment to the various posts of teaching and non-teaching staff and the process is on. There is a delay due to the nature of employment to be finalized and permission to be sought by the Government.
- ⇔ A draft statute for establishment of the UGC-Centre for the study of Social Exclusion and Inclusive Policy is prepared and submitted to the University for needful.
- ⇔ Letter sent to state government for approval/ assurance for continuation after cessation of the UGC fund.
- ⇔ Syndicate's Resolution for recruitment of certain posts to the Centre.
- ⇔ Reconstitution of Advisory Committee of the Centre.

Justification for Continuation

University has initiated for recruitment certain posts as per the resolution of the Syndicate. At the same time, Statute for establishment of the Centre has been framed and action taken for necessary approval of the authorities and the assent of the Chancellor. In this connection a letter has also been sent to the State Government for assurance for taking out the responsibility after cessation of the fund. In addition, Advisory Committee has been reconstituted.

Future plans

The Centre plans to undertake a beeline survey of the entire state of Karnataka on different dimensions of social exclusion and inclusive development policy and thereby prepare a data bank at the centre. Further, it proposes to conduct research activities on social and economic exclusion related aspects and develop inclusive policies by submitting research project proposals for funding agencies.

In addition to the above, Seminars, Workshops, Special Lectures and Awareness programmes will be organized periodically.

It plans to bring out publications of newsletters, Reports, Article, Books etc. Encouragement will be given to research scholars to pursue Ph.D., degrees on the theme of Social exclusion.

20. UNIVERSITY LIBRARY

University Librarian: Dr. B. R. Radhakrishna

Picture-1: BAC Library building

The University Library was established in the year 1966. The building has a 16,000 sqft, stack area for keeping Books, Reference Books, Back volumes, display of Current Journals, and workspace within the Library. The University Library has got a rich collection of Books and Back Volumes of the Periodicals along with other non-book materials. BAC Library has been trying to do the same over the years and as per feedback from its patrons has been quite successful in this venture. BAC Library not only proactively works on its collection building and infrastructural development but also puts a lot of emphasis on facilities for users. BAC Library, like in previous years, this year also focuses on the strengthening of the collection and implementation of the most advanced information and communication technologies in its services.

Green Library Project

The green library, or sustainable library, is a new concept and it is gaining popularity among library professionals. The word "green" has great importance here for healthy survival. Over the past few years, there has been increasing interest in the green revolution in every sector, and the

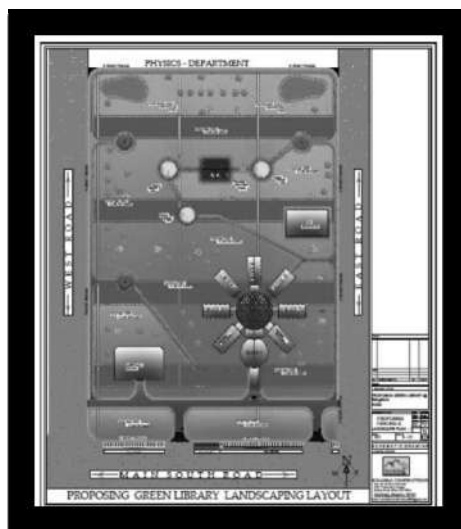

library is one of them. The university's vision is to reinvent green space for users. A clean area for users with new dimensions, informative boards, corners for deep studies and group discussions, and space for heritage walks. This concept of "green library" provides a study atmosphere in a natural-green environment with luxurious greenery.

The main goal of the project is to educate the users and spread awareness of a sustainable society and the necessity of nature protection through the Green Library web page, documentary projections, lectures, public discussions, and book promotions. Based on the extension library service, the BAC Library would like to take the "**Green Library**" initiative to provide better and more comfortable services to our library users on the vision of "R3: **Read, Relax, Refresh.**"

The BAC Library initiated the "Green Library Project" in August 2019. The Green Library project has covered more than 10 acres of land, which is available around and behind the BAC library, and it is located at the heart of the university, with interconnecting to all departments, constituent colleges, and administrative wings. In the **1st Phase**, the chain fencing has been installed around 10 acres of land in the BAC library. The **2nd Phase** includes: Librarian Platform, Faculty Lounge, and Students Corner. **Facilities:** Pathways, Pergolas, Meditation Zone, Sports Zone, Open Air Theatre. **Basic Amenities:** Informative Boards, Drinking water, Cafeteria, Photocopy services, Cyber café, Wi-Fi, Restrooms etc.

SECTION B - UNIVERSITY LIBRARY

The BAC Library provides the following services

• Library Hours

Usually, the Library remains open from 8 AM to 7 PM on all working days. However, there will be changes in the schedule depending upon the need.

Monday - Saturday

Reference: 9.30 AM to 7 PM **Circulation:** 10 AM to 5 PM **Periodicals:** 8 AM to 5 PM **Office:** 10 AM to 5 PM

Closed on- All Sundays, 2nd & 4th Saturday, General and National Holidays.

- **Open Access :** The utmost advantage that a Library can offer to its readers is its open access or open shelf system. This system enables the users to have direct and easy access to the book collection providing good opportunity and freedom to examine and browse the books. It encourages the users to develop a closer acquaintance with the diversity of information sources available in the Library. Keeping this in mind, the Library is practicing Open Access System.
- **Circulation of Books :** The users are eligible to borrow books against the borrower's ticket for 15 days. The books are kept in the reference section and the periodicals normally will not be issued. However, under certain conditions, the reference textbooks are issued to the faculty for overnight reference and return. Those who fail to return/renew the books within a specified due date will be levied an overdue charge of Rs. 2 per book per day.
- **Online Public Access Catalogue :** Online Public Access Catalogue (OPAC) facility has been provided to benefit the users to access databases of books, theses, dissertations and serials of our University collection. Proper training is also provided to the students about using the OPAC system at the beginning of the academic year.
- **Book Display :** Books on special occasions such as Independence Day, Gandhi Jayanthi, Dr. B.R.Amedkar Jayanthi, etc., are selected and displayed in the library.
- **New Arrivals :** Some selected titles of new books acquired by the Library are displayed in 'New Arrivals' racks for the benefit of users. These books will be on display for at least one week and after that, they will be made available to borrow.
- **Inter-Library Loan :** It is not possible for any institution, however, rich in its resources, to buy all the books published even in a discipline. Hence, it is inevitable to depend on other organizations to share information sources for the mutual benefit of users. Books not available in BAC Library but required by faculty members and research scholars will be procured from other University Libraries on Inter-Library loan. The INFLIBNET's database on the Internet is used for the location of the university library where the book in demand is available.

- **Reference service :** Reference service means the "*Process of establishing contact between a user and his requirements in a personal way*". It is a personal service that involves various activities to make information available to the users as easily as possible. BAC Library is having a sound reference source collection. The professional staff of the library makes use of these resources as well as those resources available outside the Library. Either our staff may give the information required by the users or guide them to browse the documents containing the required information, depending upon their requirements.

The BAC Library spends every year Rs. 1.80 Crore for purchase of print and e-books and Rs. 65 Lakhs spend on periodicals, i.e., print, online journals, Databases, etc.

BAC Library Expenditure in Financial Year 2021-22.

The Babasaheb Dr. B.R. Ambedkar Central Library has spent an amount on the procurement of books, journals, newspapers, magazines, online databases, etc. for the benefit of the academic community of Bangalore University during the financial year 2021-22. The BAC Library did not utilise the allotted budgets for 2020–2021 and 2021–2022. Due to the administrative issues, we could not procure the printed books and other resources for the library at the right time. However, we procured the basic resources needed for the library users. The details of expenditure are given below.

Circulation Section: Library Circulation is the function of lending library documents to the users of the library. Library Circulation includes checking out library documents to library users, renewing the borrowed items, reserving checked out items for the patron, checking in materials returned, checking the materials for damage at the time of return if found damaged then giving that to the responsible staff for repair and when a repair is not possible then a replacement, renewal of materials, receiving payment of fines for damaged and overdue materials and payment for subscription to the library and other charges, maintaining order in the stacks by re-shelving the library materials by call number given by classification system, such as Dewey Decimal Classification (DDC) system. The Circulation Counter is located at the main entrance of the BAC library to carry out library circulation activities. It is the service point to register for the library card, check out, renew and return library materials. Library staff at the circulation desk also provides basic search and reference services in the use of the library and placement of information resources Membership.

- **Library Memberships:** During this period, above 1600 new members, including postgraduate students, faculty and staff members, research scholars, and Institutional members, were enrolled as library users. Besides, memberships of the existing 1500 members were also renewed. A total of 1700 members were cancelled, and no dues certificates were issued.

Technical Processing Section

Classification, Cataloguing, Indexing, and data entry of more than **3600** new books received during this academic year have been completed through Koha Library Management Software to create online catalogs for users' access.

Reference Section

Bangalore University Library has a good reference source collection. The library's professional staffs make use of these resources as well as those resources available outside the Library. • Plagiarism checking of theses and articles

BACL is working as a central hub for plagiarism checking of the new Ph.D. theses and articles through Anti-Plagiarism software-Urkund. Through this service, 320 plus theses and 150 plus articles have been checked during this period, and originality certificates have been provided to research scholars and P.G. students.

• Drill Bit Plagiarism Checker (support for multiple Indian languages)

The BAC Library has subscribed to Drill Bit Software, which is a pioneer in anti-plagiarism software that checks for any duplicate or copied content in comparison to the larger data available globally. The Drill Bit Plagiarism Checker offers support for multiple Indian languages. The accuracy of this tool to detect plagiarism is remarkable and considerable when compared with existing pioneers like Turnitin, Urkund, and iThenticate, etc.

Consortium for Higher Education Electronic Resources

INFLIBNET

Information and Library Network (INFLIBNET) Centre is an autonomous Inter-University Centre of India's University Grants Commission (UGC). It is a major National Programme initiated by the UGC in March 1991 as a project under the IUCAA; it became an independent Inter-University Centre in June 1996. INFLIBNET is involved in modernizing university libraries in India using state-of-art technologies for the optimum utilization of information.

INFLIBNET is set out to be a significant player in promoting scholarly communication among academicians and researchers in India. The technology being a driving force in the contemporary education system, the UGC has taken up a major initiative for the benefit of the academic community in universities under its purview. The initiative, called the "**UGC-Infonet Digital Library Consortium**," provides access to selected scholarly electronic journals and databases in different disciplines. The Centre is responsible for the execution and monitoring of this initiative. The Centre also extends access to e-resources to all Govt. / Govt-aided colleges under a project entitled "**National Library and Information Infrastructure for Scholarly Content (N-LIST)**" funded by the MHRD under its National Mission on Education through ICT. On behalf of the UGC, the Center has taken up a number of new initiatives for the benefit of the academic community. These initiatives include:

- **Shodhganga**: a reservoir of Indian Theses and Dissertations;
- **Shodhgangotri**: a repository of approved synopsis submitted to the universities for registration under the Ph.D. programme;
- **OJAS@INFLIBNET**: An open-access journal publishing platform;
- **Shibboleth-based** access management system;
- **Open-source software R & D**;
- **InfoPort**: A comprehensive gateway to all Indian electronic scholarly content;
- **e-PG Pathshala**: e-Content for PG Courses
- Measuring Research Output of Indian Universities

E-ShodhSindhu: Based on the recommendation of an Expert Committee, the Ministry of HRD (now renamed as Ministry of Education) has formed e-ShodhSindhu merging three consortia initiatives, namely UGC-INFONET Digital Library Consortium, NLIST and INDEST-AICTE Consortium. The e-ShodhSindhu will continue to provide current as well as archival access to more than 10,000 core and peer-reviewed journals and a number of bibliographic, citation and factual databases in different

➤ ACM Digital Library

ACM Digital Library provides access to 53 peer reviewed scholarly journals; 8 technical magazines including Communications of the ACM (ACM's flagship magazine), ACM's complete collection of conference proceedings containing over 2,500 volumes of scholarly materials; and 37 technical newsletters sponsored by ACM's technical Special Interest Groups (SIGs). 154 Journals.

➤ American Institute of Physics

The American Institute of Physics (AIP) is a non-profit corporation chartered in 1931 to advance and diffuse the knowledge of physics and its application to human welfare. An umbrella organization for 10 Member Societies, AIP represents more than 134,000 scientists, engineers and educators and is one of the world's largest publishers of physics journals. AIP's prestigious core journals (journals.aip.org) - many of which are

among the most highly cited in their field - form the core of physics literature in libraries worldwide. With their high technical and editorial standards, these publications attract the most vital and current research papers from the world's leading authorities in fields ranging from chemistry, mathematics, fluid dynamics, and more. AIP's online platform(Scitation) hosts more than 1,000,000 articles from more than 170 scholarly publications for 25 learned society publishers, in fields including physics, chemistry, geoscience, engineering, acoustics, and more.19 Journals.

➤ **American Physical Society**

The American Physical Society was founded on May 20, 1899, when 36 physicists gathered at Columbia University for that purpose. . In 1913, the APS took over the operation of the Physical Review, which had been founded in 1893 at Cornell, and journal publication became its second major activity. Physical Review was followed by Reviews of Modern Physics in 1929, and by Physical Review Letters in 1958. Over the years, Physical Review has subdivided into five separate sections as the fields of physics have proliferated and the number of submissions grew. Through the consortium access of APS-ALL collection is available to subscribing members. Also the PROLA (Physical Review Online Archive) search engine (which indexes all APS journal material published from 1893 to present) is now freely available to all users.17 Journals.

➤ **Annual Reviews**

Annual Reviews journals are among the most highly cited in the scientific literature, and are available in print and online to individuals, institutions, and consortia throughout the world. Since 1932, Annual Reviews has offered comprehensive, timely collections of critical reviews written by leading scientists. Annual Reviews volumes are published each year for 46 focused disciplines within the Biomedical, Life, Physical, and Social Sciences including Economics. Access is made available to 43 full text journals. Archival access is provided up to 10 years back issues for members earlier having access under UGC-INFONET DLC and new institutions will receive four (4) years back file access.43 Journals.

➤ **ASCE Journals Online**

The ASCE Library provides online access to a high-quality collection of civil engineering content. It contains articles from ASCE journals, papers from conference proceedings, and e-books and standards. Recognized worldwide as the core collection in the field, the 35 ASCE journals that make up the All Journals subscription form the most complete picture available of the civil engineering field today.The Consortium provides access to 35 journals (Complete Package for ASCE eJournals). Access to backfiles is available from 1983-present.

SECTION B - UNIVERSITY LIBRARY

➤ **ASME Journals Online**

Founded in 1880 as the American Society of Mechanical Engineers, ASME is the premier professional membership organization for more than 127,000 mechanical engineers and associated members worldwide. ASME also conducts one of the world's largest technical publishing operations in the world, offering thousands of titles including some of the profession's most prestigious journals, conference proceedings, and ASME Press books. The ASME Digital Collection, previously known as The ASME Digital Library, is ASME's repository of current and archival literature featuring: ASME's Transaction Journals from 1960 to the present. ASME's Conference Proceedings from 2002 to the present. ASME Press eBooks selected from 1993 to the present. The Consortium subscribes to Complete Package for ASME Journals + AMR which gives access to 29 journals. The backfiles access is available since 2000.

➤ **Economic & Political Weekly**

Economic & Political Weekly (EPW), published by the Sameeksha Trust, a registered charitable trust since 1949, is one of the Indian publications that enjoy a global reputation for excellence and scholarship. It occupies a special place in the intellectual history of independent India. It publishes analysis of contemporary affairs and academic papers in the social sciences. The focus of the EPW is economic issues, but it is truly a multidisciplinary publication covering sociology, political science, history, gender and environment studies. EPW publishes both research in social sciences in the "Special Articles" Section and informed comment on current affairs in the "Commentary Section". The access of EPW is provided to all the institutions of the consortium.

➤ **Institute for Studies in Industrial Development (Database)**

The Institute for Studies in Industrial Development (ISID), a sponsored institution of the Indian Council of Social Science Research (ICSSR), is a public-funded, non-commercial research and development institution in social science. ISID was set up as an independent organization to carry on the work initiated by the Corporate Study Group (CSG), at the Indian Institute of Public Administration, during the early 'eighties. ISID has developed databases on various aspects of the Indian economy, particularly concerning industry and the corporate sector. It has created On-line Indexes of Indian Social Science Journals (OLI) and Press Clippings on diverse social science subjects. It provides access to Indexes of 125 Indian Social Science journals and major newspaper articles, editorials and news features.

➤ **JGate Plus (JCCC) (Database)**

J-Gate Custom Content for Consortium (JCCC) is a virtual library of journal literature created as a customized e-journals access gateway and database solution. It acts as a one point access to 7900+ journals subscribed currently under UGC INFONET Digital library consortium as well

as university libraries designated as Inter Library Loan (ILL) Centers besides index to open access journals. INFLIBNET has identified 22 potential universities as ILL Centers in the country to fulfill ILL request from the users affiliated to universities covered under UGC-INFONET Digital Library Consortium. JCCC has facility to trigger e-mail request for article to Inter Library Loan Centers as well as to INFLIBNET Centre.

➤ **JSTOR**

JSTOR was founded in 1995 to build trusted digital archives for scholarship. Today, we work with the scholarly community to preserve their work and the materials they rely upon, and to build a common research platform that promotes the discovery and use of these resources. In 2009, JSTOR merged with and became a service of ITHAKA, a not-for-profit organization helping the academic community use digital technologies to preserve the scholarly record and to advance scholarship and teaching in sustainable ways. The majority of content in the archive is journal literature, though inclusion of other materials such as conference proceedings, transactions, pamphlets, monographs, manuscripts, and other materials is growing. Currently, there are more than 2500 titles, including previous titles, as well as other content available. New titles and other materials are being added regularly. The collections available to the members of the Consortium are: Art & Sciences I–XII, Life Sciences, Ireland, Ecology & Botany II, Global Plants, 19th-Century British Pamphlets, Struggles for Freedom: Southern Africa, World Heritage Sites: Africa, Business IV.

➤ **MathSciNet (Database)**

MathSciNet is an electronic publication offering access to a carefully maintained and easily searchable database of reviews, abstracts and bibliographic information for much of the mathematical sciences literature. Over 80,000 new items are added each year, most of them classified according to the Mathematics Subject Classification. Authors are uniquely identified, enabling a search for publications by individual author rather than by name string. Continuing in the tradition of the paper publication Mathematical Reviews (MR), which was first published in 1940, expert reviewers are selected by a staff of professional mathematicians to write reviews of the current published literature; over 60,000 reviews are added to the database each year. Extending the MR tradition, MathSciNet contains over 2 million items and over 700,000 direct links to original articles. Reference lists are collected and matched internally from over 300 journals, and citation data for journals, authors, articles and reviews is provided. This web of citations allows users to track the history and influence of research publications in the mathematical sciences.

SECTION B - UNIVERSITY LIBRARY

➤ **Oxford University Press**

Oxford Journals is a division of Oxford University Press, which is a department of Oxford University. It publishes well over 230 academic and research journals covering a broad range of subject areas, two-thirds of which are published in collaboration with learned societies and other international organizations. OUP collections cover Life Sciences, Mathematics & Physical Sciences, Medicine, Social Sciences, Humanities, and Law, and include some of the most authoritative journals in their fields. Through the consortium, 262 Oxford University Press journals are available with back files since 1996.

➤ **Project Muse**

Project MUSE is a unique collaboration between libraries and publishers, providing 100% full-text, affordable and user-friendly online access to a comprehensive selection of prestigious humanities and social sciences journals. MUSE's online journal collections support a diverse array of research needs at academic, public, special and school libraries worldwide. Our journals are heavily indexed and peer-reviewed, with critically acclaimed articles by the most respected scholars in their fields. MUSE is also the sole source of complete, full-text versions of titles from many of the world's leading university presses and scholarly societies. The Consortium subscribes to Project Muse Premium Collection which provides access to more than 600 titles representing more than 120 publishers.

➤ **Springer Link 1700 Collection and Nature Journal**

Springer is the leading global scientific publisher, delivering quality content through innovative information products and services, as well as a trusted provider of local-language professional publications in Europe, especially in Germany and the Netherlands. It publishes high quality content in various formats like books, journals, newsletters, CD-ROMs, online platforms, protocols, databases and conferences. It publishes some 2,000 journals and more than 6,500 new book titles every year in the STM sector; backlist of more than 45,000 titles. The coverage of the content is in 6 main publishing fields: science, technology, medicine, architecture, business and transport. Overall journals can be accessed through SpringerLink are around 1700+ journals. The backfiles / backdata is available since 1997 for Springer titles and 2007 onwards for Nature main title. The 7 old IITs and IISc get access to 200+ additional journals on complimentary basis.

➤ **Taylor and Francis**

Taylor and Francis, founded in 1798, is the oldest commercial journals publisher in the world, and one of the leading global academic publishers. Informa interface is a new and expanding platform, initially hosting the academic and scientific publications. Taylor & Francis Group publishes more than 1600 journals and around 1,800 new books each year Taylor and Francis provides quality information and

knowledge that enable the customers and end-users to perform their jobs efficiently, continue their education, and help contribute to the advancement of their chosen profession. It is a widely known publisher among researchers, students, academics and increasingly professionals. The Consortium can access more than 1000 journals with archival access to 1998 onwards issues.

➤ Web of Science (Database)

Web of Science, provides access to the world's leading citation databases. It searches over 10,000 journals from over 45 different languages across the sciences, social sciences, and arts and humanities with back files to 1900. The citations (or footnotes) allow one to navigate forward, backward, and through journal articles and both journal and book-based proceedings. Its Analyze Tool also helps in finding hidden trends and patterns, gain insight into emerging fields of research, identify leading researchers, institutions, and journals, and trace the history of a particular field of study. The access to Web of Science is available on perpetual access basis to members subscribing prior to 2016, and new members were provided access to 20 year back-files on lease basis. Consortium subscription includes access to the Science Citation Index Expanded (SCI-EXPANDED), Social Sciences Citation Index (SSCI) and Arts & Humanities Citation Index (A&HCI) of Web of Science.

Shodhganga: a reservoir of Indian theses is a digital repository of theses and dissertations submitted to Indian universities. It is maintained by the INFLIBNET Centre, which is an autonomous Inter-University Centre of the University Grants Commission (U.G.C.) of India, which was initially located on the campus of Gujarat University, Ahmedabad. ❖ Created Indian Research Information Network (IRINS) instance for Bangalore University

Indian Research Information Network service developed by the INFLIBNET center. The portal facilitates the Academic, R&D organizations and Faculty Members, and scientists to collect, curate & showcase scholarly communication activities and provide an opportunity to create a scholarly network. The *Bangalore University library has succeeded in creating an IRINS instance for Bangalore University*. The IRINS would

support to integrate of the existing research management system such as HR system, course management, grant management system, institutional repository, open & commercial citation databases, scholarly publishers, etc., it has integrated with academic identity such as ORCID ID, Scopus ID, Research ID, Microsoft academic ID, Google scholar ID for ingesting the scholarly publication from various sources.

Learning from various mediums of expression has been an integral part of education. With this understanding, the BAC library formed the MOVIE CLUB to screen movies every third Saturday at 3 o'clock. The purpose of this club is mainly to learn through interaction and discussion. The movies screened mainly focus on educational, social, economic, cultural issues and encourage students to develop a different perception towards leadership, team spirit, group dynamics, creativity, self-motivation etc.

➤ Orientation Programs:

The BAC Library conducts orientation programmes every month on the first Saturday to introduce the library's collections, services, and facilities to the users. This academic year, we conducted Orientation Programs for all the students, scholars, and faculty members by inviting subscribed online databases and e-book product resource people to create awareness and demonstrate how to use their resources.

UNIVERSITY VISVESVARAYA COLLEGE OF ENGINEERING

K.R. Circle, Bengaluru – 560 001

Year of establishment: **1917**

About the Institute

A titan among Engineering Colleges, the oldest and most venerated Engineering College in Karnataka, with its unique mix of the State of the Art Education and active industrial collaboration fulfils the dream of a distinguished Engineer.

BRIEF HISTORY

Mokshagundam Visvesvaraya, popularly and affectionately known as Sir M.V., was born at Muddenahalli Village, Chikkaballapur Taluk & District, Karnataka on September 15, 1860. Visvesvaraya completed his lower secondary schooling in Chikkaballapur and later he joined Central College in Bangalore and graduated in B.A. securing first Rank. He was awarded a scholarship to continue his studies and he obtained a degree in Civil Engineering from Bombay University. He served the Government of Bombay Presidency, Government of the Nizam of Hyderabad and Mysore State Government. Sir M. V. earned a reputation for his honesty, integrity, ability and intelligence. He introduced compulsory education in the State which later was embodied as a fundamental right in the Constitution of Independent India. To expand the education opportunities in the State, he established Mysore University, Agriculture College, Government Engineering College now called as UVCE and Sri Jayachamarajendra Wodeyar Polytechnic (SJP, Bangalore). He was responsible for the establishment of Krishna Raja Sagara Dam, Bhadravathi Iron and Steel Works, Mysore Sandal Oil Factory, Mysore Soap Factory, State Bank of Mysore, Public Libraries, Kannada Sahitya Parishad, Hindustan Aeronautics Ltd etc. He was the recipient of many honors, and the most notable ones are the Bharat Ratna Award from Government of India and the Knighthood Award from the Government of Great Britain.

University Visvesvaraya College of Engineering, popularly known as UVCE, was established in the year 1917 under the name 'Government Engineering College', by Bharat Ratna Sir M. Visvesvaraya and was affiliated to University of Mysore. It is the Fifth Engineering College which was established in the country. After the formation of Bangalore University in 1964, UVCE became one of the Constituent Colleges of Bangalore University. UVCE imparts Technical Education leading to BE, ME, B. Arch, M. Arch, M.Sc. (Engineering by research) and Ph.D degrees in various disciplines of Engineering and Architecture. It has completed more than 100 years of academic excellence since its inception. UVCE is nationally recognized by the All India Council for Technical Education of the Government of India (AICTE) and is a recipient of financial aid under World Bank's Technical Education Quality Improvement Programme (TEQIP). The University Visvesvaraya College of Engineering, Bangalore, BMS College of Engineering, Bangalore, MSR Institute of Technology, Bangalore, Dr. Ambedkar

SECTION C - UNIVERSITY VISVESVARAYA COLLEGE OF ENGINEERING

Institute of Technology, Bangalore and Siddaganga Institute of Technology, Tumkur are all networked under Technical Quality Improvement Programme (TEQIP) for academic interaction, joint research and publications and sharing common facilities. UVCE has been recognized as LEAD Institution among the above Institutions under TEQIP.

OBJECTIVES

VISION : To strive for excellence in Engineering Education for the realization of a vibrant and inclusive society through knowledge creation and dissemination.

MISSION : To prepare resourceful global leaders to invent, discover and create human friendly technology and promote scientific temper for a healthy society. UVCE shapes engineers to respond competently and confidently to the economic, social and organizational challenges arising from a Globally Advancing Technology.

Ideally located

Situated at K R Circle and in the neighbourhood of Vidhana Soudha, the City Campus houses the Department of Mechanical Engineering, Electrical Engineering, Electronics Engineering, Computer Science Engineering and Information Science Engineering. Proximity to the city bus stand connects one easily to any part of the city.

Situated amidst Jnanabharathi Campus spread over 50 acres, the Engineering Campus has the Departments of Civil Engineering and Architecture.

Admission Procedure

Candidates who qualify in the Common Entrance Test (CET)/Aptitude test conducted by the Government of Karnataka are eligible to apply for the Under Graduate Engineering/Architecture courses. The selection of candidates to the college is done by counselling at CET Architecture Centre by the Government. Candidates belonging to Union Territory, Government of India are also admitted to the college by the Central Government. Candidates qualified in the GATE and PG CET are eligible to apply for the Post Graduate courses. Candidates qualified in the test conducted by the Bangalore University are eligible for Research Programmes leading to M.Sc. in Engineering by Research and Doctoral Programmes. Admission to UVCE is strictly on the basis of merit. The total admission to all the Disciplines and Programmes is around 1200.

**INFRASTRUCTURE****Laboratories**

The college has more than 500 Computers, 50 Laser printers, 5 Photocopiers, 5 Fax machines, a good Cyber Centre “Minchu” and State-of-the-Art laboratories in all the Departments.

Library

UVCE library has an impressive collection of over 1,62,500 books covering various branches of Science, Engineering, Technology and Architecture. Besides, the library has volumes of Technical Journals / Periodicals in different areas of Engineering. Along with the main library, each department has its own library catering to the needs of the Staff members and students.

The college organizes annually TATTVA (Cultural Programmes). A large number of students participate in Debate, Essay writing and Cultural Programmes conducted at both State and National level.

Cyber – Centre

The college has a good Cyber Centre “Minchu” having state of the Computers situated in the Library building.

Research and Training Centre

The Centre caters to the need of Post Graduate students, Doctoral students and teachers of UVCE and is well equipped which includes with a Conference room. UVCE is the only engineering college in Karnataka having Scanning Electron Microscope worth nearly Rs. one crore. It has been serving the needs of the research scholars of all the educational institutions and industries in and around Bangalore.

Placement Centre

The college has an excellent Industry – Institution interaction with all the reputed Global Companies visiting the campus. Excellent training is provided to the students with regular Mock Aptitude tests, Group Discussions and Case Studies. The Companies visiting the college include: Yahoo!, Alcatel Lucent, IBM, Cognizant, Nokia, Cisco, Samsung, Infosys, Wipro, Satyam Mahindra, Motorola, SLK Software, Mind Tree, L & T (ECC, Powai), Huawei Tech, HCL, Vedanta, TATA (Elxsi), AVTEC, Aditi Technologies, Kennametal ITC, KOEL, Talisma, ABB, Informatica, L & T Valdel, Ashok Leyland, BEL, Honeywell.

UVCE Co-operative Society

The UVCE Co-operative Society meets the need of the students and staff of the college in respect of stationery and text books. All the students admitted to the college are shareholders of the Society.

Hostel Facilities

The college provides hostel facilities for boys and girls separately, both in the Jnana Bharathi Campus and the City Campus.

Merits of the College

The College updates the curriculum and syllabus regularly. The syllabus is very much acclaimed by the academicians and industries in India and abroad. The college has well qualified, experienced and dedicated teaching and technical staff having an average experience of 24 to 28 years. The college has conducted over 200 Workshops, fourteen International Conferences in the last ten years and has published more than 600 Research/Technical papers in various International journals. Reputed publishers have brought out 62 books authored by the staff of UVCE.

Courses Offered

UVCE has embarked upon new initiatives, linking the institution with the corporate sector and the international academic community, to improve the quality of its programmes, for international recognition and intellectual wealth creation in order to attract resources and clients. The guiding philosophy behind all the academic activities of the institution is to inculcate professionalism in Engineering Education.

1.	International virtual conference on Biological innovations and computational exploration for pandemic challenges (BICPAC' 22) 24 th and 25 th February, 2022 Department of Biotechnology and Council of Scientific and Industrial Research, Ministry of Science and Technology, Government of India, Tiruchirappalli, Tamil Nadu.		"Network Pharmacology based Prediction of the Potential Targets of Eugenol against Cancer"
2.	The national conference on Impact of Research Development in Life sciences (IRDLS-2022), 30 th and 31 st March, 2022 Organized by Department of Biochemistry and food technology, Kuvempu University, Jnanasahyadri, Shankaraghatta, Shivamogga, Karnataka.		"Molecular docking analysis of the molecular mechanism of eugenol in the treatment of cancer"
3.	International virtual conference on, Biological innovations & computational exploration for pandemic challenges (BICPAC'22) 24 th & 25 th February, 2022 Organized by Dept. of Biotechnology & Bioinformatics, Bishop Heber College, Tiruchirapalli, Tamil Nadu, India-620017.		"Computer assisted drug design of AITC for treatment of cancer; a combined molecular target identification study & drug target prediction"

	Sponsored by Dept. of Biotechnology & Council of scientific and industrial research, Ministry of Science & Technology, Govt. of India.		
4.	The National conference on “Impact of Research Development in Life Sciences (IRDLS-2022)” 30 th and 31 st March 2022, Organized by Dept. of Biochemistry & Food technology, Kuvempu University, Shankaraghatta, Shimoga, Karnataka - 577451.		“Investigation of Druggability, Bioactivity Properties of Allyl isothiocyanate (AITC) using In silico ADME and Toxicity prediction tools”
5.	“Recent Perspectives in Biotechnology Research “_ 31 st March 2022 Organized by Dept. of Biotechnology and Bioinformatics, Kuvempu University Shankaraghatta - 577 451.		Exploring the Molecular mechanism of Piperine in Prostate Cancer using network pharmacology approach

Sl. No.	Name of the National and International Conferences/ Seminars/ Symposium/ Workshop participated with date and place of venue etc.	Whether attended as a Chairperson of the conference/participant or any other capacities, please specify	Title of the paper presented/Read
1.	World environment Summit 2021. Organized by Environment and Social Development Association (ESDA) Delhi at India International Centre, New Delhi, 1-3, October 2021. Dr. G Krishnamurthy	Participant	-
2.	Winter School , JNCASR Dr. Ganga Periyasamy	Poster Presenter	"Charge transfer through H-bond"
3.	Current Trends in Theoretical Chemistry, Sep 23-25, 2021 Dr. Ganga Periyasamy	Poster Presenter	Charge Transfer Dynamics in Small Organic Molecules
4.	Workshop on "Research and Publication Ethics" 22-23 rd September 2021, Jointly Organized by Department of Physics, Department of Chemistry And Department of Microbiology & Biotechnology. Dr. Biswajith Paul	Resource Person	Is Open Access Panacea for Research Ethics?
5.	ONE-Week Online Faculty Development Programme On, Innovative Practices In Chemical Sciences, 23 rd To 28 th September, 2021, On The Topic, The Hplc Primer For A V College Of Arts, Science And Commerce, Hyderabad, Telangana, India. Dr. Biswajith Paul	Resource Person	The HPLC Primer
6.	4 th Refresher Course in Material Sciences: Recombinant Memetics from 07/12//2021 to 20/12/2021 on Google Meet Platform. Given Lecture on 11/12/2021 Saturday, Time & Session: 10 AM to 1:00 PM. Dr. Biswajith Paul	Resource Person	Biomaterials: Basic Science or Applied Science?; Biomaterials: Structures and Functions.

SECTION D – CHEMISTRY

7.	One day International webinar on “Recent Trends in Nano Science and technology” organized by IQAC and Science Association, M.A.S.C College, Haunsbhavi on 5th February, 2022. Dr. Sowbyagya	Participant	-
8.	One week National e-Workshop on Innovation & Intellectual Property Rights (NEW IPR-2021) organized by Innovative technology Enabling Centre (InTEC), CSIR-IMMT during June 14-19, 2021. Dr. Sowbyagya	Participant	-

Special Features Of The Department In Terms Of Research/ Extension/ Publications / Awards / Awarded At State / Central / International Level Etc.,

1.	Green chemistry: Scientists develop new process for more eco-friendly liquid crystals: Nummer 018/2022 vom 01. März 2022 Liquid crystals could soon be produced more efficiently and in a more environmentally friendly way. A new process has been developed by researchers at Martin Luther University Halle-Wittenberg (MLU) in Germany, Bangalore University in India and Cairo University in Egypt. Compared to conventional methods, it is faster, more energy-efficient and promises a high yield as the team reports in the "Journal of Molecular Liquids". Liquid crystals are used in most smart phone, tablet and computer displays. https://pressemitteilungen.pr.uni-halle.de/index.php?modus=pmanzeige&pm_id=5362 . - Dr. G Shanker
2.	4-Week Induction/Orientation Programme for “Faculty in Universities/Colleges/Institutes of Higher Education” organized by Teaching Learning Centre, Ramanujan College University of Delhi In collaboration with IQAC, Miranda House University of Delhi under the aegis of Ministry of education and Pandit Madan Mohan Malaviya national mission on teachers and teaching from 19 June - 18 July, 2021. - Dr. Sowbyagya.
3.	Two-week faculty development programme (equivalent to refresher course) in “Chemical Sciences” organized by Teaching Learning Centre, Ramanujan College University of Delhi In collaboration with IQAC, Miranda House University of Delhi under the aegis of Ministry of education and Pandit Madan Mohan Malaviya national mission on teachers and teaching from 01-15 February, 2022. Dr. Sowbyagya.
4.	Seven-Day Faculty development Programme on “Recent Advances in Chemistry” Organized by Department of Chemistry, School of Science, RK University, Rajkot, , Gujarat, from 27 th Dec-2021 to 4 th Jan-2022. Dr. Shivaraj Y

International and National Collaboration of : Dr. N. Malarkodi

- Collaborating with **Prof. Gerta Keller**, Geoscience Department, Princeton University, Princeton, USA, published papers and expecting to publish more papers in future
- Collaboration with **the Prof. Orabi H Orabi**, Menoufia University, Egypt. This International collaboration resulted in publishing two research papers and two papers in press and expecting to publish more research papers through this collaboration
- Collaborating with **Prof. Ercan Ozcan**, Department of Geological Engineering, Faculty of Mines, _Istanbul Technical University (_ITU), Maslak, 34469, _Istanbul, Turkey. Published paper with Prof. Ercan Ozcan and expecting to publish one more papers from this collaboration.

- Received Invitation and Collaborating with **Dr. Adam Woodhouse** University of Texas Institute for Geophysics J.J. Pickle Research Campus, Bldg. 196. Texas, USA (Work Under Progress).
- Received Invitation from **Prof. Paul Pearson** from Cardiff University, UK for the collaborative research work. we sent sample for analysis and further couldn't go to field work to continue the collaboration due to Covid period.
- Collaborating with **Dr. Sambuddha Misra and Prof. Prosenjit Ghosh**, Professor, Centre for Earth Science, Indian Institute of Science, Bangalore. (Dr. Sambuddha Misra is co-guide for my Ph.D student; **Dr. Prosenjit Ghosh** guided my Master degree dissertation student)
- Collaborating with **Dr. Vandana Prasad, Director, and Dr. Mukund Sharma, Dr. Jyotsana Rai**, Scientist, Birbal Sahni Institute of Palaeobotany, Lucknow, India and published two papers one with Dr. Vandana Prasad, Director and one with Dr. Jyotsana Rai. (Dr. Mukund Sharma Senior Scientist, BSIP, Lucknow is co-guide for one of my Ph.D. student).

Year of Establishment: 1917

The Department of Civil Engineering, UVCE, BUB has very strong teaching faculty and good laboratories. The Department of Civil Engineering has been recognized as Jalavrushi Purashkar for having implemented rainwater harvesting and artificial ground water recharge in the Jnanabharathi Campus along with the development of Bio Park by the Bangalore University, Bengaluru. The department provides consultancy services to various departments such as, Department of Irrigation and Groundwater Development, Rural Drinking Water Supply and Sanitation Department, BBMP, Metro, BDA, BWSSB, KPWD, KRIDL, BMRCL, Karnataka State Pollution Control Board, BESCO, Karnataka Slum Clearance Board, Govt. of Karnataka, Bengaluru. MECON, Indian Railways, Central Public Works Department, RITES, Reserve Bank of India, Central Pollution Control Board, Central Ground Water Board, Govt. of India and other private agencies. Around Rs. 2.5 crore revenue has been generated through consultancy services and around Rs. 45 lakh has been paid to University for the year 2021-22.

DIRECTORATE

OF PHYSICAL EDUCATION

50. Directorate of Physical Education

UCPE Stadium, Jnanabharathi, Bangalore University, Bengaluru – 560 056

Year of Establishment : 1967

Director : **Dr. T. Lingaraju**

 **080 – 22267389 / 22371946**

Introduction

The project is an effort to meet increasing demand for athletic accessibility from its student body. We want our centre to be one of our primary recruiting tools not only for the athletes, but for the general student body as well.

In Bangalore University, students aspire to an education of true breed one that incorporates athletics as well as academics. The full range of athletic excellence, from personal fitness to varsity competition, is something to celebrate as an essential part of the University experience.

Through more than 50 years of athletics, University has championed the multidimensional experience for all students, and today more than 80% of under graduates make use of our athletic program. Participation in sports corresponds to improved academic performance, greater self-confidence and autonomy, and a stronger sense of commitment to others. These life lessons can have a direct impact on personal and professional success. Bangalore

University encourages broad based, inclusive athletic participation and is dedicated in providing the best possible to every member of its community.

The sports complex will help our student athletes in providing them with state of art athletic facilities that will sharpen their competition edge.

We're committed to developing talented athletes.

“To remain sports training pioneers by providing a world class combination of facilities, staff, equipment, knowledge and programs to our students who are committed to achieving.” The Directorate of Physical Education, Bangalore University is conducting about 74 disciplines of various, Inter Collegiate and Inter University sports activities every year for Men and Women section. In view of the existing conditions it is becoming difficult to provide facilities for all the students. It takes money to build these impressive new infrastructure and facilities. We seek your funding for this project, which will provide countless students with a foundation for great achievements in life of youths.

Since, 1964 the Bangalore University, Directorate of Physical Education has been producing and will be producing, so many International Athletes, State Awards like: Ekalavya Awardees, Arjun Awardees and Dronacharya Awardees to the State and for the Country in large with existing minimum infrastructure available in the Bangalore University.

SECTION F – PHYSICAL EDUCATION

The Directorate of Physical Education in Bangalore University, has been conducted various sports activities, mainly Inter Collegiate and Inter University championships. In this year 2021-22 we had participated in 54 Disciplines for both Men and Women Categories in All India Inter University Championships.

The Directorate of Physical Education successfully conducted Inter Collegiate sports in 24 Disciplines and declared Winners & Runners. Before Selection Trials of each and every event, we have conducted physical fitness tests for all eligible candidates. Those who are passed in physical fitness tests then only we called for Selection Trials.

The Directorate of Physical Education, Bangalore University is regularly sending the University teams in all Disciplines in Men & Women Sections to participate in All India, South Zone and Inter Zone Competitions, which are being held at different parts of the Country. In the mean time, we had conducted the coaching camps 15 to 21 days in each discipline prior to the All India Inter University Championships. Our Bangalore University Men and Women teams were participated in 74 Disciplines in All India Inter University Competitions were held from 01st April 2021 to 31st March 2022.

Achievements of Bangalore University Sports Men & Women in South Zone / All India Inter University / 1st Khelo India University Games Championships for the year 2021-22

In spite of the all activities, the Directorate of Physical Education, Bangalore University is conducting regular coaching camps in different disciplines and also summer coaching camps for upcoming University Players with added fitness program for Bangalore University Sports men & women.

A Special feature introduced by the University for the benefit of sportspersons is to allow them to take a special examination, when they are missed the regular examination due to participation in International Sport events or when they represent nation during the period of regular examination conducted by the University. It is first of its kind in the State of Karnataka and this has added the feather & motivation to upcoming sports persons for their achievements in their respective field of sports.

All these achievements in the field of sports and games were possible because of the encouragement given by our Bangalore University authorities, Hon'ble Vice Chancellor, Respected Registrar, Finance Officer, Syndicate Members, Academic Council Members, and Sports Board Members of Bangalore University. The Bangalore University, Bangalore authorities increased cash award money to winners and the hard work put up by our Physical Education fraternity and coaches has gone a long way in the achievements of sports awards. But the final credit goes to the sports men & women of our University.

Vision:

- To develop the Sports and Health excellence in student community,
- Identification of talent and to train athletes.
- To strive for sports excellence at Inter Collegiate,
- All India Inter University, National and Inter National Competitions.
- To provide orientation programmes for teachers and coaches to enhance the Knowledge in the field of sports
- Identification of talent and train sportsmen
- To streamline the selection trials and train the sportsmen systematic and scientifically for higher level competitions/achievements.
- Prevention of injuries

Mission:

- Identification and communicating the need for sports to the student community
- Introducing sports for mass participation.
- Developing the infra-structure
- To promote scientific method of coaching
- To promote fitness awareness
- To promote modern research in physical education and sports sciences
- To inculcate the leadership qualities among students
- To promote environmental awareness
- Eradication of social problems among youths
