KALABURAGI, DHNS: Karnataka Pradesh Congress Committee president D K Shivakumar has demanded the state government to convene a special session of the legislature for discussing the Covid purchases scandal.

Addressing a press meet here on Tuesday, Shivakumar said that the government was mired in corruption and every minister was looking at "percentage" in Covid purchases. He said that the state government had purchased PPE kits, thermal guns, high-flow oxygen device etc at exorbitant prices.

"Myself, Opposition leader Siddaramaiah and Public Accounts Committee chairperson H K Patil levelled allegation of Rs 4,000-crore scam in these purchases. We extended cooperation to the government all these days for fighting pandemic. But, BJP general secretary issued us a notice for demanding accounts. Should we be cooperating with this government?" Shivakumar said.
