PM, party chief 'satisfied' with my fight against BSY: Yatnal

HUBBALLI, DHNS

Bijapur City MLA Basanagouda Patil Yatnal on Saturday claimed that Prime Minister Narendra Modi was satisfied with his fight against Chief Minister B S Yediyurappa and his family's corruption and hence, the party would not take action against him.

Speaking to media persons on Saturday, the disgruntled

BJP MLA said, "During my visit to Delhi, I had given 11 pages of documents and proof to the party high command against Yediyurappa and his family's corruption. As high command realised that the documents speak the truth, no action has been taken against me."

Yatnal said each member of the Yediyurappa's family have 'opened a shop' and operating different departments from

'Kaveri' (official residence of Karnataka's chief minister).

He claimed that the 'volcano of rebellion' against Yediyurappa and his family would erupt after April 17. "Already, Minister K S Eshwarappa and national general secretary C T Ravi have raised their voice against the CM. By May 4, there will be a change of guard in BJP and the next chief minister will be from north Karnataka," Yatnal said.
