Senā minister
resigns from
Union Cabinet

TIMES NEWS NETWORK

New Delhi: With the Shiv Sena snapping ties with the BJP, its nominee in the Union Cabinet, Arvind Sawant, tendered his resignation saying it would be im-

proper for him to continue in the NDA government at the Centre given the current situation in Maharashtra.

Sawant accused the BJP of renegeing on its promise of equal division of seats and a shared chief ministerial term and said this had led to Sena chief Uddhav Thackeray ending ties with BJP. He said BJP had been untruthful in denying an agreement to share ministerial berths and the chief minister's post.

"They have also hurt my party by lying. Since there is no trust left, I have decided to resign," said Sawant. "I have resigned as Union minister. I have sent my resignation to Prime Minister Narendra Modi," Sawant said, displaying a copy of the letter of his resignation as minister for heavy industries.

"In such an atmosphere, it is not proper on my part and for the sake of morality to continue as minister in the Union government," Sawant said.
