### Rajya Sabha MP submits privilege notice against PM

17/2/20

NEW DELHI, DHNS: CPI Parliamentary party leader Binoy Viswam on Sunday submitted a privilege notice against Prime Minister Narendra Modi accusing him of misleading Rajya Sabha during the latter's reply to Motion of Thanks to the President's speech by misrepresenting the statements made by Kerala Chief Minister Pinarayi Vijayan.

In his notice submitted to the Rajya Sabha secretariat, Viswam alleged that the prime minister attempted to "manipulate" Vijayan's remarks to "serve his own political agenda". While replying to the Motion of Thanks, Viswam quoted Modi as saying, "Kerala's Left Front should understand it a little more. Before coming here they should have come to know what the chief minister of Kerala has said. He said in the Legislative Assembly that the extremist groups were involved in holding protests in Kerala. Not only this, but he has also warned of stern action."
