Dacoits are better, says Speaker

The proceedings of the Karnataka assembly this time around has been both enlightening, at times, and absolutely embarrassing for voters as well as legislators. On Friday, as if to speak the minds of many common citizens, Speaker Ramesh Kumar said dacoits were better than legislators. Commenting on JDS MLA Shivalingegowda's taunt that MLAs are behaving like dacoits, Ramesh Kumar said, "Don't insult dacoits. They are honorable and respectable." Well, what do we say? Looks like the Speaker summed it all up for us.
