Council to be firm on mobile ban
The legislative council has decided to strictly implement the ban on use of mobile phones inside the House. Chairman Pratap Chandra Shetty on Monday told members to switch off their phones before entering the House or keep them in lockers outside. Though cellphones were banned in 2012 itself, Shetty said it was not being implemented strictly. His decision came after Congress MLC Prakash Rathod was recently caught on camera browsing through videos and pictures on his mobile during the session. Nine years ago, three BJP ministers were caught watching a porn clip in the assembly.
