*LS Speaker upset  
over poor quality  
of question raised*

Lok Sabha Speaker Om Birla on Monday asked members to be mindful of the quality of questions they raise during Question Hour in the House. Birla's remark came after a question was asked about renovation and construction of an approach road to a local temple in Madhya Pradesh during the Question Hour. Though Culture Minister Prahlad Singh Patel replied to the questions, Birla said if a member wanted a tap in a local temple, it cannot be done by the central government.
