**LS Speaker warns TMC
MP over 'undue' remarks**

NEW DELHI, DHNS: Lok Sabha Speaker Om Birla on Monday cautioned TMC member Mahua Moitra against violating the rules and repeatedly making 'undue' comments during proceedings of the House.

The Speaker expressed his displeasure during Question Hour and asked the TMC's leader in the House Sudip Bandyopadhyay to advise his party member to make her aware of the rules of the House, after Moitra made a certain comment against the Chair and said he should be fair.

"I am again asking you to stop making comments again and again while sitting in your seat. Otherwise, I will have no option but to take action. That's all," the Speaker told Moitra, objecting to her comments.

As Moitra rose from her seat to say something again, Birla asked her party leader in the House, Bandyopadhyay, to inform her about the rules of the House.

"This is wrong. You are the party's leader in the House. She keeps making comments while sitting here. I request you to make her aware of the rules of the House. Tell her to speak from her seat. The House will decide whether I am fair or not," he said.

Responding to the Speaker's request, Bandyopadhyay said he would tell Moitra to follow the Chair's direction.
