## CM announces slew of projects for Kalyana Karnataka

**KALABURAGI, DHNS :** Chief Minister BS Yediyurappa announced a slew of projects to the Kalyana Karnataka region on Thursday even as the promise of separate secretariat for Kalyana Karnataka he made in the 2020-21 budget has remained just that.

Addressing the gathering at Kalaburagi on Thursday to mark Kalyana Karnataka Utsav, the chief minister said that the proposed Anubhava Mantapa would become functional in four months.

"Necessary steps will be taken to implement drinking water and irrigation projects, and 10 Lift Irrigation Schemes to harness Kagina river water.

The Rs 3,000-crore projects will address the water woes of Kalaburagi and Bidar districts," he said.

The 1,200 MW hydel power project at Gollapalli in Raichur district at a cost of Rs 10,000 crore is under scrutiny. An appropriate decision on the proposed project will be taken after holding discussions with the neighbouring states.

The chief minister laid the foundation stone for the construction of 300-bed hospital complex of Kalaburagi branch of Jayadeva Institute of Cardiovascular Sciences and Research.

The facility will come up on 7.15 acres of land at a cost of Rs 150 crore.
