AP Assembly braces for a storm over capital
Vijayawada: The raging debate on the government's proposal of decentralised administration, with the creation of three capitals, will reach its peak when the State Legislative Assembly session begins at 11 am Monday. The state Cabinet will meet a couple of hours earlier to give its formal consent for the crucial Bills pertaining to the proposed move. The high-power committee, constituted to study the reports of the GN Rao Committee and Boston Consulting Group (BCG), will place its final recommendations before the Cabinet, official sources told TNIE.
