Delimitation: Govt to issue 23/3/18 revised guidelines

BENGALURU, DHNS-The state government will issue revised guidelines for delimitation of taluk and zilla panchayat constituencies, after elected representatives raised complaints about shortcomings in the process.

Raising the issue during the Zero Hour in the Legislative Assembly, BJP MLA V Sunil Kumar said that guidelines for the delimitation of taluk and zilla panchayat constituencies were rife with flaws. Addressing concerns over the exercise, he said that approving the exercise would make administration difficult in the coming days.

Speaker Vishweshwar

Hegde Kageri observed that geographical delimitation had caused problems and warned of major confusion during ZP and TP elections if the concerns were not addressed.

Leader of the Opposition Siddaramaiah said that the Commission was entrusted with the delimitation task, and state government could only issue directions to DCs about change in guidelines.

Law Minister Basavaraj Bommai said that he would consult with the State Election Commission and ensure "scientific" delimitation of constituencies ahead of polls. He also assured that delimitation guidelines will be revised by March 31.
