Chief Minister B.S. Yediyurappa on Tuesday called upon people, particularly frontline corona warriors infected by the virus, not to lose courage.

Pointing out that the total number of COVID-19 related deaths in the State was very less compared to other major States, he tweeted, "There is no reason for any infected citizen or government employee to lose courage. The government is always with you."

The Chief Minister made the statement after a KSRP constable ended his life after testing positive for COVID-19.

Mr. Yediyurappa condoled the death of the constable and said he has directed officials to provide all necessary compensation and facilities to the family of the deceased at the earliest.
